Pet Loss Support Group

A supportive series on the loss of a pet

HospiceCare Inc.
5395 E. Cheryl Pkwy
Madison.

Dates and times to be determined
Pre-registration is required

The death of a pet is often as painful as the death of a human family member and can bring feelings of sadness, guilt, loneliness and grief.

This group allows participants to benefit from resources and support while sharing memories, identifying coping skills, learning and responding to reactions of loss and tips and tools for healing.
